Looking through the documents and maps on the website, and having been at two of the meetings (most recently 15 January) I am greatly impressed by the skill and care taken by the Parish Council and by John Stocks and his colleagues. We are fortunate indeed to have such a talented and committed group of people to deal with the complexities of Colwall's future development.

It seems to me that the design put forward at the January 2015 meeting offers the best way forward for some necessary expansion of housing provision including so-called affordable housing.
