Hi,

I am interested in looking at the neighbourhood plan. I'm assuming that when everyone's concerns have been submitted, you will draw up a plan. I then assume there will be an opportunity for people to look at what has been drawn up - which is what I would like to have a look at. How do I get to see the plan?

Thanks

Thank you for your email. The plan will be open to a public meeting once it is drawn up. If you have any concerns in the meantime please email the team.

Brilliant - thanks for that- just interested to see it once it's been drawn up.
